

Social Hall Committee PL34 OAB
Minutes of AGM held on Wednesday 14th February 2018

Those present were; R Flower, D Mills, N Mallott, Jane Smith, D Studdart, Hannah & D Richardson,

No apologies.

Minutes of last years AGM were read and agreed.

Matters arising;

The Chairman had nothing to report

The Secretary reported; The roof had been repaired and has been successful, no leaks even with this weather.

Door handles into the Hall are to be replaced.

The Parish Council is looking into replacing the Hall next to the Visitor Centre. Until this has been agreed it seems a waste of money to decorate or repair. The Parish have just received a message from the County that they are willing to sell some car parking land.

The Parish Council is going to replace rotten shed with a concrete shed.

The Treasurer reported takings were a little down but expenses were also down. Bookings were still good even though the regenerated church Hall had made a difference. The Total bookings were £3579 And the expenditure £2234-59.

Election of Members;

The Chairperson Secretary and Treasurer were elected en-bloc.

All others present were elected to the Committee.

A O B .

Cleaning of the Hall was brought up

All organisations using the Hall should clean up before they leave. This cuts down the use of regular cleaners and keeps the Hall charges down. It was agreed that when needed The Hall booking Sec (Hannah) should employ a suitable person to give an extra clean.

The Meeting closed at 8-30p.m.
