

Town Twinning Opportunity

The Chairman of Tintagel Parish Council has received and invitation from the Mayor of Silvi, in the Italian region of Abruzzo, to consider the establishment of a 'Town Twinning' relationship between the Parish of Tintagel and the Commune of Silvi.

It has been proposed that any agreement might be established upon the following aims:

Cultural exchange between the two areas, with the establishment of new and traditional events and competitions.

The establishment of strong business relationships between the two areas, with opportunities for retailers to expand their customer bases.

Establishment of a cultural centre for education, relaxation, the pursuance of recreational interests and, socialisation for small community groups.

Hospitality exchanges for all age groups and the fostering of inter-schools exchanges for educational and sporting purposes.

Commune de Silvi

Silvi is an Italian commune approximately 15 kilometres north of Pescara. It is a small seaside resort on the Adriatic Coast, with a population of 15,660 residents. The commune covers an area of 7.9 square miles, from the coast to Silvi Paese, up in the hills.

This matter will be discussed at the Parish Council Meeting on the 3rd February 2021. It has been suggested that the cultural centre could be established at the Community Hub Building (old TVC) – we welcome your views on the future of that building. Would you welcome the creation of a small community facility for parishioners' groups?
